

David Rabbitt was elected in November of 2010, and re-elected in June 2014, to represent Sonoma County's Second District on the Sonoma County Board of Supervisors. David began his first term after previously serving as a Petaluma City Council Member. Supervisor Rabbitt is currently serving his second year as Chair of the Board and has proven his dedication as a fiduciary agent for the residents and taxpayers of Sonoma County by working to promote the local economy, improve Sonoma County roads, and preserve agricultural and recreational lands. As well as serving Sonoma County as a Supervisor, David represents local government on the Alfred E. Alquist Seismic Safety Commission, he is an experienced business owner, an architect, and perhaps his greatest achievement is as a proud husband, and father of three.
