

State of California
Seismic Safety Commission

Memo

To: Seismic Safety Commissioner

From: Dave King
Seismic Safety Commission
1755 Creekside Oaks Drive, Suite 100
Sacramento, CA 95833
(916) 263-5506

Date: September 13, 2012

Subject: Agenda Item XIII

Background

The current legislative session ended Friday August 31. Here are some of bills that the Commission has followed and where the bill is currently.

SB 1002 (Yee), Public records

Major amendments, the bill is now a report that will be provided to the Legislature regarding the feasibility and costs to make all public records searchable by the California Technology Agency.

Current Status: To enrolling and awaiting the Governor's signature or veto

SB 1272 (Corbett) School Facilities, Filed Act

This Bill creates a task force to review the current process of the DSA approval cycle and make recommendations that will improve the current process and ensure timely review and completion.

Current Status: Died in Appropriations

AB 1491 Budget Committee

This bill would have provided a funding mechanism for the Commission using a fee for personal and commercial property exposures through the Department of Insurance.

Current Status- Bill died in Committee.
